PHEASANT CREEK DEVELOPERS AIR POSSIBLE PLAN

Developers of the Pheasant Creek project met with the Antioch Village Plan Commission Friday, July 28 and had an informal discussion of extensive new plans.

The group said it had asked to meet with the commission to keep them abreast of developments. They termed their plans "absolutely preliminary" and subject to modification.

Under the proposed set-up 830 dwelling units, plus a 120 bed nursing home could be added to the original, smaller plan. This first plan, which has been approved calls for 484 units of multiple and single family homes on 32 acres west of Tiffany Road.

The new preliminary project would occupy 152 acres in an "L" shaped tract surrounding the original plan and would be bounded by North Avenue, Tiffany Road and the Upper Grade School Property.

The 830 proposed new dwelling units would be made up of 365 single family homes, 360 additional apartments and 105 townhouse units. A small convenience shopping center would also be included.

Developers listed the gross density as being 5.6 units per acre.

Allowances would apparently be made for 35 acres of open space and areas for ball

diamonds and public parks.

A possible population of 2800 persons could be expected, according to developers.

Since the plans are very preliminary they said they could give no approximate completion date, but planning consultant Norman Drummond listed a four to five year period, depending on market conditions.

Developers agreed that the new plan would come very close to being a planned unit development, but would actually come into the village under the subdivision ordinance.

The men were resolute in their belief that their plan should be considered as part of a comprehensive plan for growth in the village. They said they were opposed to a "helter skelter" philosophy of development.

Village Clerk Marilyn Sternbenz noted that announcement of the plans might have an effect on freeing a federal grant for the new sewage treatment addition.

Plan Commission Chairman Robert Bemis said at the conclusion of the meeting that he would appoint committees to study specific areas of the proposed project, while attempting to fit it into the overall plan for village growth.

MISSING LIBRARY BOOKS SPUR NEW POLICIES

A recently conducted inventory at the Antioch Township Library has uncovered the loss of 385 books, according to Library Board President, Louise R. Vos.

Mrs. Vos said that the inventory covered a period of approximately one and one half years and came as a great shock to library workers. No estimate of value was available immediately.

Due to this development,

library trustees have decided to implement a new policy regarding parcels and bags carried into the library.

In the future all patrons will be asked to check satchels and briefcases at the desk upon entrance. In addition, library personnel reserve the right to view them upon leaving.

On the bright side, however, Mrs. Vos reports a new bicycle rack has been installed. The new addition was donated by a Mr. Titus of the local area.

effigy not ignored -

DRUG CRACKDOWN PROMISED

A dummy discovered July 24 on the lawn of Fred E. Zeason, a sergeant with the Lake County Sheriff's Department is not being regarded as a joke, according to local law enforcement authorities.

The dummy, made of discarded clothing stuffed with newspaper was discovered shortly before midnight by Zeason's wife and contained numerous mock bullet holes, blood and a wooden stake driven through its stomach.

The words "pig" and "you're next Freddie boy" were found printed on the dummy.

In addition, a bag filled with a substance resembling mariju-

an and was found in the pocket of

the dummy's pants. Zeason, who heads the County Investigation Unit said the threat didn't scare him and was probably the work of persons from the Antioch area previously arrested by himself or his staff.

According to Zeason units of the Sheriff's Office and Antioch Police are jointly working on the case and already have some leads to the identity of the culprits.

The incident drew a stormy response from Lake County Sheriff Orville Clavey. Calling it a flagrant attempt to scare and intimidate the family of a member of his staff, Clavey pledged a severe crack down on drug pushers and users at a pace never before seen.

WEATHER AND CROWDS BRING MAXWELL STREET DAYS SUCCESS

Maxwell Street Days, held July 27-29, featured Jaycees selling watermelon, merchants their wares. There too were the shoppers taking advantage of the bargains and spectators with lots to see. (staff photo)

REPUBLICAN CLUB DONATES TO SPECIAL FUND

At a special meeting of the Antioch Township Republican Club executive committee, it was voted to make a substantial contribution to the special fund which has been established to aid the families of Judith Frasch, Shirley Kasik, and

Mary Carney.

Judy Frasch was an active member of the Women's Auxiliary of the ATRC.

By unanimous vote of the committee, the rules were suspended to make this action possible.

Frank Benes mans the pit at last year's Lions Club Bar B.Q. This year's festivities begin at 11 a.m. on August 6th at the Antioch Aqua Center. Charcoal broiled, butter basted chicken will be served. The auction begins at 2 p.m.

REGISTRATION FOR NEW SCHOOL YEAR THIS MONTH

Registration times for Antioch Grade School, Channel Lake School and Oakland School have been set for 9 a.m. - 12 noon and 1 p.m. - 3 p.m. on August 16th and for 12 noon - 3 p.m. and 6 p.m. - 9 p.m. on August 17th.

Students should register at the building they will be attending. Proof of birthdate must be presented at time of registration for kindergarten students.

A physical examination re-

port or a written statement of a doctor's appointment for a physical will be required of all kindergarten and fifth grade students. Those who wish to object to their children having a physical examination may do so on the constitutional grounds and forms will be available for that purpose. Addresses of agencies offering free examinations will be given to those who cannot afford to pay for a physical examination for their child.

The free lunch policy remains the same as last year.

NEW SERVICE ADDRESSES NEEDED FOR POST OFFICE

Please bring the current address of your son, daughter, husband or wife to the Post Office if you want a package sent to them. The list of names the Post Office has now will be discarded as it has become obsolete.

In September the Post Office will be mailing packages to our service personnel in Viet Nam. Donations of money and goodies are needed to fill them.

Application blanks will be given to parents at the time of registration.

SOAK IT TO US UNCLE SAM

Any politician who talks of tax reduction in the face of rising costs of government, at all levels, is -- to put it mildly -- dodging the facts. A number of authorities and news sources point out that taxes overall are rising rather than declining. The Indianapolis, Indiana, Star reveals that a family of four with a \$10,000 income paid an average -- before recent federal tax reductions -- of \$19.90 a week in taxes withheld. This year, with the federal reduction, withholding will be \$19.70 -- a 20 cent a week decline. At the same time, this family's social security tax has increased by \$52 annually so the family comes out with a net loss to the tax collector of \$41.60.

A Mississippi editor shows why there is unlikely to be a reversal of the trend toward more taxes and more inflation in the foreseeable future. He notes that Mississippi alone received \$2.3 billion federal dollars in 1971, more than \$1,000 for every person in the state. He also noted that new federal budget requests contain large sums for waterways, flood control, parkways, harbors, atomic research, rural electrification, farm ownership loans, water and waste grants, public libraries and forest research. In addition, there are the welfare programs, federal aid to education, to hospitals, housing, streets and highways.

In the light of these demands on the public treasury, government has but a single course to follow, a course that was well defined by one observer when he said: "So soak it to us, Uncle Sam, and likewise you state, county and city officials!" Of course, many officials lack the courage to face the issue squarely. They prefer to let inflation do the dirty job for them while they continue to kid the people into believing that government handouts are free.

McClory calls for POW "information"

Congressman Robert McClory today called on the North Vietnamese government to publish complete lists of the American prisoners of war they are holding and reaffirmed his support of President Nixon's peace proposal which contemplates the release of all POW's and MIA's as a part of any final peace settlement.

Following the noon meeting of the San Diego-based committee, Concern for Prisoners of War, with members of both houses of Congress on the steps

of the Capitol, Congressman McClory expressed his particular concern for three Lake County GI's who have been missing in action since 1968 and are believed to be in North Vietnamese hands. He called upon the North Vietnamese to release information on the whereabouts of the three: Major Crosley Fitton, Jr., the brother of Mrs. George W. Stone, Jr. of Libertyville; Special Forces Sergeant John Young of Lake Villa; and Navy Commander Robert Doremus, the brother of Mrs. James Courier of Deerfield. Mr. McClory stated: "The release of

Our Congressman

McClory announces funds for Great Lakes and Fort Sheridan

The U.S. House of Representatives today authorized expenditures of more than \$2 billion -- including some \$18 million in Lake County for improvements at the Great Lakes Naval Training Center and Fort Sheridan as well as family housing at the former NIKE site near Libertyville.

Congressman Robert McClory who reported the favorable House action stated that: "About \$11.5 million will be expended at Great Lakes for a recruit processing facility at the recruit training command center and for bachelor enlisted quarters connected with the service school command. Also, more than \$4.5 million will be apended for 350 family housing units to house Navy personnel at the abandoned NIKE site".

In addition, a total of \$108 thousand has been allocated to the Navy Public Works Center at Great Lakes for necessary improvements.

Water pollution projects are included in the program of expenditures at Fort Sheridan where almost \$3 million will be made available in connection with the overall improvements in the North Shore area.

The Committee Report, upon which the House of Representatives acted, declared that the Department of Defense was giving support to pollution control projects in coordination with the Environmental Protection Agency, employing the best techniques available.

The Military Construction Bill now goes to the Senate where favorable action is also expected.

What About Igloos?

At a time when there is much reasonable concern in the County over housing developments, it would be a valuable public service on the part of responsible journalism to make a routine and level-headed search for useful facts with which to temper and balance the one-sidedness of the public statements of both the promotional land boomers and of their more hysterical opponents.

It is a public disservice for a respected newspaper to accept uncritically and publish under its own imprimatur the enthusiastic irrelevancies and non sequiturs of either side.

I refer in particular to Charles Selle's handsomely illustrated article COUNTY FYES HOUSING PROJECTS in the July 13 issue of the Waukegan News-Sun, in which PUD-booster Helen Belmont Amendola gives a carefully tailored report commending to Lake Countians the glories of PUDs she has visited in the area of Washington, D.C. If this were merely some charming tourist chatter of a pretty woman returning from an enjoyable trip, no one could fault its happily gushing irrelevancies. But that is not the case: the headline and text remind us that Mrs. Amendola was a paid professional politician travelling on County business, and that her views will reappear in the decisions of County government.

Under those circumstances, wouldn't it have been better journalism to have included in the story these pertinent facts:

1) The PUD that so wins Mrs. Amendola's fervent praise (Cross Keys, Md.) is situated between two parallel, 38 mile-long superhighways linking the teeming cities of Washington, D.C. and Baltimore, Md., approximately marking the bull's-eye of a dense population center. Over 3 million people live and work within 25 miles of that PUD.

Considering the character and population density of that region, the PUD she describes doubtless makes an ideal alternative to the stuffy conventional apartments and hyper-expensive private homes in the adjoining cities. In any similar setting, a similar development might be ideally suitable.

But what has all that to do with Lake County, Illinois? For us, it's just travelogue information--like the fact that igloos are ideally suited to the Arctic and that some people in Hong Kong live in flotillas of sampans. Interesting, but totally irrelevant to Lake County's search for rational housing policies.

2) This same glowingly described PUD consists of 487 dwelling units on 70 acres of land. It is not just "a PD"; it is a housing development with a density ratio of under 7 dwelling

THANK YOU

On behalf of the Administration, the Board of Education, and particularly, the children of District 34, I want to thank the many parents and the many high school students who worked so many hours for the Grade School Referendum.

We are presently faced with some severe problems, but as long as we continue to have so many people who are so dedicated to good education, the schools of Antioch must eventually go uphill instead of down.

Henry Meyer

Aid Would be Criminal

Teaching people how to combat crime can be training lessons for the would-be criminal. Maybe it would be better to remind them of the disadvantages of being in jail and of all the things they will be missing.

William R. Sullivan

units per acre.

In Lake County, the so-called PUDs that are being proposed and encouraged and OK'd by the Regional Planning Commission have density ratios of 15 dwelling units per acre and up!

By what logic can the relatively low density Cross Keys, Maryland PUD constitute a recommendation for very high density PUDs in Lake County? By none!

3) Perhaps 40 miles from the PUD described by Mrs. Amendola, there is a roughly rectangular region of some 70 square miles, called the Valleys, and lying just northwest of Baltimore, Md. The character of the land and the population there would remind a Lake Countian of home, with its mix of towns, farms, pastureland, urban and rural life. In 1962, the completion of certain superhighways, this region became the natural and juicy target for land developers and speculators, another point of similarity to SLake County. The residents of that area took the lead away from the county and other officials, set up and enforced when necessary through court action to prevent the land-scalper rape of their region.

The result has been that developers either follow the residents' environmental code or they don't build. The new construction that has gone--including some high-density developments in selected spots--has been sensible, in harmony with the natural beauty and amenities of the region. The Valleys region has escaped destruction by a boom of urban sprawl, retaining its character, but also comfortably accommodating new population with a scarcely noticeable increase in overall density.

It would be of very practical interest to many readers for any of our touring officials to drop in when in that area and bring back a report from the Green Spring and Worthington Valley Planning Council, Inc. Such a report would have high relevance to Lake County.

(Staff Photo)

IMPLEMENTATION NEAR FOR RESCUE SQUAD HEART PROGRAM

According to reports, the Antioch Rescue Squad will soon put into operation their special diagnostic heart monitoring system.

Squad members said the extensive training period being given them by Dr. John P. Freeland, of Waukegan was nearly completed. "There are only one or two sessions left in the initial phase," said one member. "We could be ready to go by the middle of August."

The program is designed to safeguard apparent heart attack victims before or in route to a hospital when a doctor cannot be present.

Training consists of instruction in the use of a mobile electro-cardiogram (EKG) machine and a heart defibrillator (heart shock) device.

When their training is completed squad members will

be qualified to examine and treat heart attack victims when time is a critical factor and a doctor cannot be present.

The system will incorporate intricate communications devices that will keep a participating local doctor and the intensive care unit at Victory Memorial Hospital in contact with the squads emergency vehicle.

The patients condition can be monitored or analyzed and, if need be, treatment begun.

Roadblock to implementation has been the delay in delivery of the equipment. However squad members assured the public that once delivered, they could be quickly installed and operational.

Funding for the project is largely due to a grant from the Antioch Lions Club, as well as from private donations.

STIFF FINES FACE JUNK CAR OWNERS

During the week just passed, Antioch Police officers issued preliminary warnings to the owners of several "junk" cars or automobiles currently being restored advising them to make them operable or face the consequences.

The new policy is part of a general crack-down on the owners of unsightly lots or autos

abandoned within the city limits.

Prompting the new directive were numerous complaints to village officials by homeowners and merchants who considered the autos a safety hazard as well as an eyesore.

In all, three persons, all of

AN ACT OF LOVE - NURSING

When Wordsworth said, "The best portion of a good man's life is his little nameless, unremembered acts of kindness and of love," he could well have been speaking of the life of a nurse. Patience, smiles and the many little comforting deeds that go unnoticed or are so quickly forgotten when health is regained, are the occupation of these white-clad aides.

A nurse in the pediatrics ward at St. Therese Hospital, Gail Oetting says she wouldn't consider doing anything else. "It's so rewarding," she says. "You do everything for the kids and you love them so much you want to cuddle them."

After working for two years as a nurse's assistant at St. Therese Hospital, Gail knew exactly what she wanted when she entered the College of Lake County's Practical Nursing Program. Gail recommends working as a nurse's assistant prior to nurse's training.

"It's a good way to get experience in nursing," says this 1969 graduate of Antioch Community High School. "And besides, there are some people who couldn't take the life of a nurse, and this is the way to find out." Another attribute of being a nurse's assistant is the opportunity to earn money while attending school to become a nurse, as Gail did.

Gail spent eleven months taking courses at CLC for the Practical Nursing Program. Taking fifteen credit hours each semester, her studies included courses such as anatomy, physiology, medical-surgical nursing and sociology. She also had on-the-job training in the hospital and also in nursing homes for experience in geriatrics.

After completing her studies Gail took her state board test and became a licensed nurse in Illinois. Although this license must be renewed each year, it will never be necessary for her to take the test again in Illinois. However, to practice in another state, the test for that state must be taken.

As a licensed LPN Gail chose to remain at St. Therese Hospital, being advanced to her new position. As a nurse, "you can request the floor you'd like to work on," Gail said. "I was asked if I'd like pediatrics, and now I wouldn't care to do anything else."

As a nurse in pediatrics, Gail gives treatments and medication and cares for patients from newborn to 20 years old.

Gail will marry Dale Cunningham, also an ACHS graduate, this Saturday, August 5. With her wedding day approaching, Gail points out another extra advantage in being a nurse. "It will help at home," she says, "to be able to handle emergencies. When I

JULIO HOME IN COSTA RICA - TRUDY ARRIVES IN CHILE

After leaving Antioch on his way back home, Julio Sánchez, this year's foreign exchange student from Costa Rica, spent several days out East, visiting various cities and towns.

In Saxamburg, Pa., 22 miles from Pittsburgh, he spent two days in the home of the fire department chief, visiting a mushroom farm and limestone mine. In New York City, Julio stayed with another family and viewed all the points of interest in the megalopolis. A farewell party was given for the AFSers and Julio was pleased that the ambassador to the U.N. from Costa Rica was present. Then

after an overnight in Miami, Julio reached his homeland. Here are a few excerpts from a letter to the Tod Maplethorpe family with whom Julio stayed in Antioch.

July 19, 1972

Dear family:

I hope you are doing fine and enjoying your hot weather. I arrived in Costa Rica last Thursday at 8 a.m...

I have been sleeping until 1 p.m. every day because I am really tired. School started again July 17, but I am giving myself a week of vacation and I'll start next Monday. This coming Saturday I have to go to a dance of the AFS in San José. It is a "Hello - Good bye" dance for the going AFSers and the arriving ones. I got a big shock when I arrived in Costa Rica because everything is smaller and simpler. Also, heard the Spanish was a shock too because we weren't familiar

with the sounds and it really mixed us up. The temperature wasn't too high in San José, but when we came to my home town it really got hot.

I felt the first day like lost, I wanted to take the plane back to the U.S. or someplace else. Just a few hours ago we were in N.Y. and now we arrived in this smallness and simpleness. But the Spanish came out so-so and the people could understand us and really fast we are adapting to the second part of the AFS experience which starts in our countries. Since we arrived we are faced with several problems and the country is struggling to survive because our economic problems.

My stomach wasn't too upset eating rice and beans. My mother is really worry because I don't eat as much as I used to. For lunch she gives me a whole dinner and I have to taste a little of everything. The orange juice doesn't taste the same because

it is of natural one. I have to look for the frozen one. Later on I'll tell you if I have found pancake mix. We have the Pizza Hut in San José but the people says it is too thin. I have to try it...

Say HI to Mrs. Irving and tell everybody I really miss them. Someday I'll come back for sure. Now I have to learn how to be a man and how to direct my life and my country.

always your son
Julio

Trudy Soland is a 1972 graduate of Antioch Community High School now living with a family in Chile for ten weeks through the American Field Service. Trudy, too, has written to Mrs. Maplethorpe of her

"Completion to the new addition to the high school is slated for late September due to the mason strike which delayed work for two week period. Over 800 students will attend ATHS's fall term."

Remember When?

Dear Sir:

Although I have not lived in Antioch for many years, I receive and enjoy your newspaper. I even enjoy it more this past year or so since it has a new format.

First I'll introduce myself. I am the former Ardis Toft (now Peterson) living in Kenosha. My father, Peder Toft, now resides at Rolling Hills Nursing Home. In going through some of Dad's pictures, I came across this photo of Andrew Dalgaard and Dad. It was taken in the year of 1908, 09 or 1910. I'm not sure which date. Dad came to this country in 1908 from Denmark, along with Andrew Dalgaard (now deceased). He is the father of Bruce Dalgaard, husband of Mrs. Linda Dalgaard of Antioch.

I always enjoy your pictures "Remember When". Thought if you could reproduce this, you might use it as "Remember Who". They were old friends from Denmark and returned together to visit in 1948. Dad lived in Antioch since 1908 and is well known.

Ardis Peterson

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

Last week's "Remember When" photo of the first football team at Antioch High School was submitted by Mrs Wertz. This first of many great teams for ACHS was organized in 1924.

RETURN NOVEMBER 11 AS VETERAN'S DAY

Illinois Governor Richard Ogilvie recently signed a bill returning the observance of Veteran's Day to November 11.

The day, set aside to pay homage to members of the armed forces had been celebrated on this date from its inception in 1918 until the Monday Holiday Bill of 1970

when it was installed on the fourth Monday of October.

Veterans and other public spirited groups had reportedly lobbied and exerted great pressure on the general assembly for its return.

Ogilvie himself is a veteran, having been wounded while serving as a tank commander in World War II.

Know how State Farm got to be the world's number one homeowners insurer? Simple! By offering the best deal around—a package policy that gives you broad, up-to-date coverage at low cost.

Along the Way with Annie Mae

The busiest place in town HAD to be the new pet shop, Fur, Feather & Fin, over Maxwell Street Days. Hope you stocked up on fish food, Bill! Congratulations on the new store and loads of luck.

The weather cooperated with the weekend events. Along with Maxwell Street Days was the Firemen's Picnic on Sunday. Hear everyone had a grand time and some of the newcomers were broken in properly!

Anyone interested in the Little League for next year, remember the meeting and election of officers - today - Wednesday, at 6:30 p.m. at the Fire Station.

Get Well wishes go to Tom Poulos. Also hear that Mary Carney is coming along just fine. Guess our prayers were all answered.

Birthday wishes this week go to Helen Gutowski, and Bill Endries on the 2nd, to Betty Mentone on the 4th and to Dennis Volling & Kathy Wurster on the 7th. To Robin Jane Johnson on the 4th, to Jeffrey Curnel on the 3rd and to Scott Wiese on the 5th. Special congratulations to Peter Meyer who was just born on July 31. Best wishes to his parents.

And last but by far not least, a belated birthday kiss goes to Stu Good on the 19th of August!

Belated anniversary wishes go to Gary and Janet Eppers on the 30th and to Helen and Ben Gutowski and Elizabeth and Arthur Anderson on the 7th.

Report from our police chief indicate that with the policemen out on the sidewalks during Maxwell Street Days there was almost non-existent shoplifting. A big handshake to our effective police force!

Dave Rush just returned from three weeks at a Northwestern University Summer program. Dave played in the band, orchestra, and took several music courses such as conducting and theory. He was also invited to sit in with the University Band, and while there he heard the Chicago Symphony at Ravinia. Dave plays percussion in the Antioch High School Band.

We join Mrs. A. Zalatoris in her sorrow in Antioch's losing Mrs. Elfrida Mau who is moving to Blue Island, and Mrs. Lill Mock who is moving to Florida, and much health to Mrs. Myrna Jungman.

Happy Birthday to Anna Zalatoris on her 78th birthday.

Mrs. Zalatoris also tells us that congratulations are in order for Sue and Steve Drago on their first wedding anniversary. And she wishes to say a big HI to Mrs. Elsie Pape and daughter Lorraine in Clearwater, Fla.

Mrs. Harry Cole of Antioch, Mrs. Allen Duwell of Trevor, Joan Solberg and daughter Mary of Milwaukee have just

returned from a vacation in California. Making San Francisco and Los Angeles their headquarters, they were sightseeing and enjoying the Pacific Coast. Mrs. Coles visited relatives and friends in Long Beach, Ojai Valley and Delmar.

Congratulations to Tony and Ed Stanich celebrating their 25th anniversary this week. They've owned King's Drugs for 1/4 century!

Recently off to boot camp at

Great Lakes are Gary Stout, Ken Scheske, and Bill Weber. These new Navy men are going into the nuclear field.

The bridge on Rte 83 in Lake Villa received a new and wider face recently. The cost of the remodeling was \$420,000 - similar facelisting was done about 7 or 8 years ago.

The Antioch Little League is finishing up the season with their final money maker, selling beef raffle tickets. Support the Little League and say "yes" to the boys.

On my way

Annie Mae

BOAT THEFT ON CHANNEL

fall and winter.

"It makes you kind of sick to think you can't have things around unless they're nailed down," she said. "It's my hope that by publicizing this, other people will take precautions and check their property."

She said the motor, even though insured and in excellent condition would bring in little because it was ten years old.

The theft marks the second such loss suffered by the Bloom family. In 1962 a boat and outboard motor were also taken. They were never recovered.

Dear Ann,

Remember at Julie's luncheon last week you asked me why I liked my State Bank of Antioch checking account so much? Well, I jotted down a few reasons that should answer all your questions.

First of all, it's so economical. All I have to do is keep a minimum balance of \$150.00 in the account at all times and I can write all the checks I want with no service charge.

Now I pay all my bills by mail and is it great not having to run all over town with the kids in tow. Think of all the time and steps I save!

Every month I receive a statement with my cancelled checks ... each a legal receipt ... so I never pay a bill twice. And you should see the wide selection of beautiful checks the State Bank has to choose from.

So, Ann, now you know why I enjoy my State Bank of Antioch checking account and I'm sure you'll want to take advantage of this convenient, time-saving service all open one yourself.

See you soon,

Barb

P.S. The State Bank also has a handy bank-by-mail plan and they even pay postage both ways!

SO-CI-E-TY

n.; pl. TIES. (L. *societas* fr. *socius* a companion; cf. F. *societe*. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

CZAPARS CELEBRATE 50th

Mr. and Mrs. Michael Czapar celebrated their 50th wedding anniversary on June 14. They had a small gathering on June 18 with their three children and their families. They are parents

of four children: the late Mrs. Dolores Magiera, Mrs. Norman Rockow and Mrs. Jerry Carney and Michael Czapar, 10 grandchildren and two great grandchildren.

La Leche League Meets

La Leche League of Lake Villa-Antioch will meet at 8:30 p.m. on Wednesday, August 9 at 619 Alima Terrace, Sequoit Terrace.

Topic for discussion is "Advantages of Breast Feeding and Overcoming Difficulties." Anyone interested is invited. Children are welcome. For information call 395-6081 or 356-8381.

Newcomers auction own creations

The Antioch Welcome Wagon Newcomers' Club will hold an auction at their monthly meeting tonight, at 8 p.m. at the Methodist Church. This will be an auction of your own creations. We're sure everybody has a specialty they can share with us. All new residents are welcome to come and meet with us.

There is still plenty of time to call Evelyn LaFata at 395-6044, for reservations and directions for the Newcomers' Bar B.Q., August 5th. Just bring your own meat and liquid refreshment, plus a pot-luck dish. The Bar B.Q. is being held at the home of Mrs. LaFata at 7 p.m.

Remember, August 21st, Monday evening, is the pet parade, sponsored by the Newcomers' Club in conjunction with the Chamber of Commerce Midnight Madness. All children up to 14 years old and their pets are welcome to participate. Kids and pets will be in costume. There is no fee to enter. Entry blanks are available at all business stores in Antioch. Pre-registration will be necessary.

A \$25.00 Savings Bond will be 1st prize, 2nd and 3rd prize is a \$10.00 gift. 10 prizes will be awarded in all, plus ribbons. Judging and prizes will be given before the start of the parade at Park Avenue, next to Barnstable's at 6 p.m.

Come on Kids, for a little imagination and effort you could win, and it's a great way to show off the family pet.

LITTLES ATTEND CONFERENCE OF CHAMPIONS

Mr. and Mrs. Alfred J. Little, Route 4, Box 507, Antioch, have returned from Las Vegas where they attended the Allstate Insurance Companies' "National Conference of Champions", an annual event in which the companies' top selling agents and their wives take part.

The conference, which included business meetings and round table discussions with top executives of the companies, helped mark Allstate's 41st anniversary. Allstate, a wholly-owned subsidiary of Sears, Roebuck & Company, began its operation with 20 employees in 1931 and today is the largest stock company auto insurer in the world, with more than 31,000 employees. In addition to auto insurance, the Allstate companies offer a full circle of protection, including life, health, boatowners, liability, theft, fire and commercial coverages.

Little is a member of Allstate's exclusive "Honor Ring's" organization, having been one of the outstanding sales representatives among the more than 8,000 Allstate agents in 1971.

"TO LIB OR NOT TO LIB"

St. Peter Altar & Rosary Society Salad Bar Luncheon will be held on August 19, 1972 at 12:30 p.m. in the Social Center on Elizabeth St. No matter what your sentiments on "Women's Lib," you're bound to enjoy being liberated from cooking and housekeeping for the afternoon, while being entertained and satisfied with the delicious salads prepared by the ladies of the parish.

If you are watching your weight or would just like to taste some of the delicious food available for those who are, do try the weight watchers table.

For your entertainment, Godey Sampler Fashions of Antioch will present P.M. & L. theatre members and Altar and Rosary ladies in a light-hearted look at history from the women's point of view. Musical parodies will be sung by Florence Babusek and Ken Smouse. The talented Babe Wagner will accompany on the organ. Beautiful Godey fashions will round out this original program written and directed by Gloria Davis. Tickets are available from society members. Do Come!

THOMPSON - DALGAARD

St. Peter's Church of Antioch was the candlelight setting on July 7th for the Nuptial ceremony of Sherry Lynn Thompson, daughter of Mr. and Mrs. John Thompson of Lindenhurst and James M. Dalgaard, son of Mr. and Mrs. Winsor Dalgaard, Sr. of Lake Villa, Illinois. The Rev. Father Johnson heard the couple's vows.

The bride's sister, Linda Thompson, served as maid of honor. Bridesmaids were Rose Flores and Cheryl Dalgaard, sister of the groom. Tammy Pedersen of Antioch was the flower girl.

The brother of the groom, Winsor Dalgaard, Jr. was the best man and groomsmen were Gary Thompson, brother of the bride and Denis Pleviak. Ushers were Dean Pedersen, Jay Yahnke, Tom Nickerson and Tom Williams. Ring Bearer was Richard Shymonik of Mundelein.

STANLEY'S "ON THE MOVE"

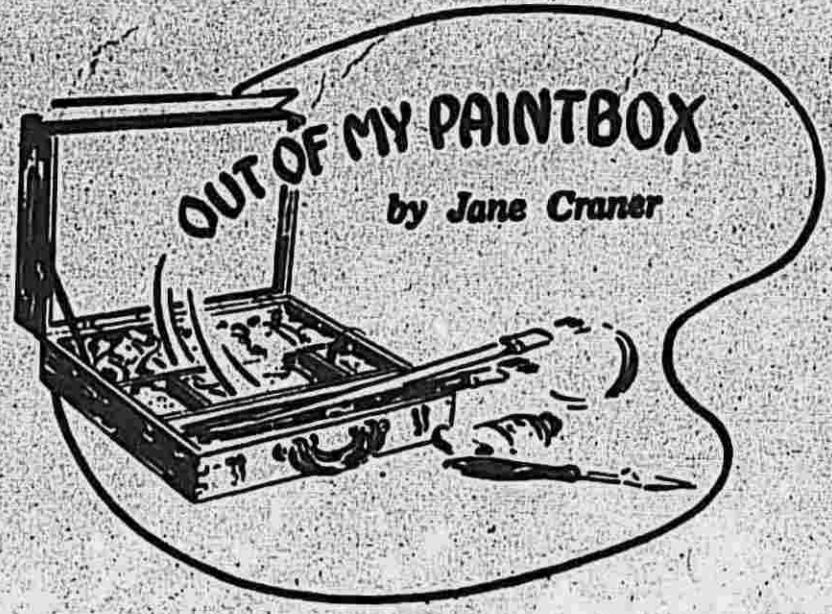

Apparently Stanley's has now found a permanent home.

WOMAN'S CLUB BOARD PLANS YEAR

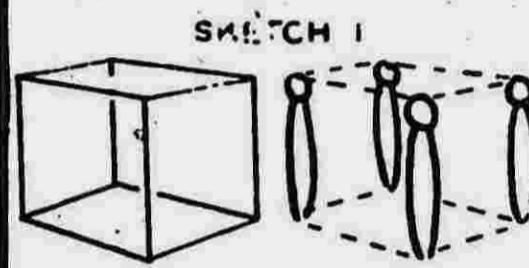

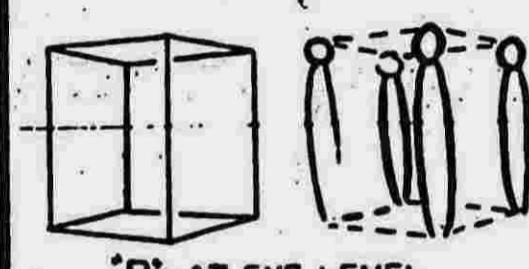

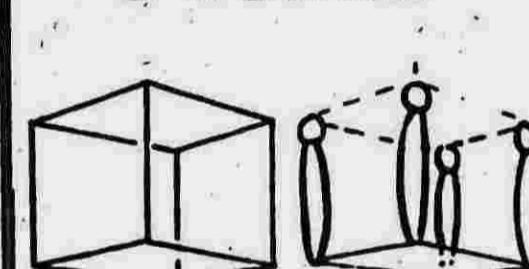

The members of the Antioch Woman's Club Board met at the home of the President, Mrs. Anton Stanich on July 21. The program for the coming year was discussed.

The first meeting of the year will be the Opening Luncheon and Guest Day on October 2 at the Sheraton-Waukegan.

**MORE ABOUT CROWDS...**

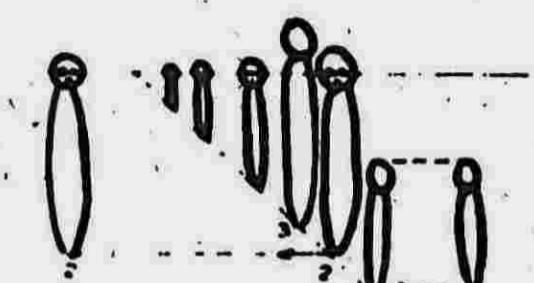

Placing the people you see in the right perspective is the major problem for most people. Let us first consider the drawing of a simple box perspective. Then let the corner lines become people, as in Sketch 1. I like to use clothes-pin shapes to quickly indicate people. You will see the view "A" when you are above the crowd, as being in the bleachers and looking down at ball players. But most crowds are seen as in view "B", because they are on the same sidewalk, ground or floor as you are, and therefore "at eye level." View "C" is the least likely view, where people are seen as on a balcony above you. Notice here that the floor hides the lower part of person 4.

**SKETCH 1**
"A" BELOW EYE LEVEL**SKETCH 2**
"B" AT EYE LEVEL**SKETCH 3**
"C" ABOVE EYE LEVEL

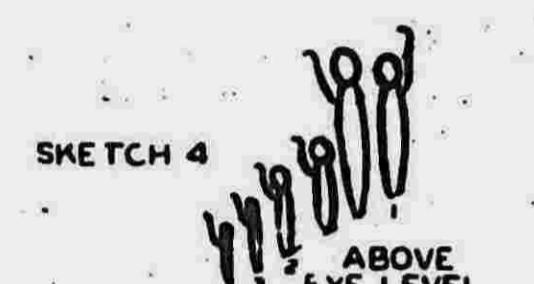

across the scene. If someone is drawn small in the foreground, and placed beside a larger figure, he will look like a child.

In Sketch 3 everyone whose eyes are at your eye level is the same size as you. Person 1 is a child, and person 3 is taller than you.

In sketch 4 people are waving good-bye from a big boat. They are above you and persons 1, 2, 3 and 4 are all the same size people, even though, because of perspective, person 3 has been drawn smallest.

Happy sketching.

Next Week: HOW TO IMPROVE YOUR SKETCHING OF PEOPLE.

PM&L SEASON 12

PM&L announces with much pride it's coming Season 12. Two musicals and two comedies should please all theatre goers.

The opening musical will be Man of La Mancha directed by Ken Smouse in November.

AUDITIONS FOR YOUNG PEOPLE'S THEATRE

The Young People's Theatre, a division of PM & L, Inc., will hold auditions on August 8, 9, and 10 for both its first play, "The Frog Prince" and the following one which has not at this time been named. The auditions will take place at 7:30 p.m. at the PM & L Theatre, Main Street, Antioch. Auditions are open to all ages.

"The Frog Prince", to be directed by Bob Bundy, will be seen the Saturdays of Sept. 16, 23, 30 and Oct. 7. Nick Baldazanno will direct the second, which will run Oct. 14, 21, 28 and Nov. 4.

Other selections are Neil Simon's Plaza Suite, Clark Gesner's You're a Good Man, Charlie Brown, and the Paisley Convertible by Harry Cauley.

Season tickets are now on sale at the special discount price of \$7.00 for the four plays. On October 1 the price will go up to \$8.50. To order tickets send a check to PM&L, Inc., Box 23, Antioch, Ill. 60002 with your name, address, and phone number. Your tickets will be mailed to you.

PM&L has many new attractions in preparation for Season 12. The entire basement is being remodeled. The coffee bar is being extended back into the newly cemented back area; new make up rooms, dressing rooms, and rehearsal areas are being built; and eventually the stage will be lowered and an orchestra pit constructed. PM&L is showing a new improved face.

Buy your season ticket and join us!

**New Deductions**

On July 31 the stork arrived with a bouncing blue bundle for Ken and Linda Meyer of Momence. Weighing in at 7 lbs 14 oz. Peter was delivered at St. Mary's Hospital in Kankakee.

Proud of the new baby boy, a firstborn to the Meyers, are grandparents Warren and Ramona Sheehan of Lake Villa and Ken and Roberta Meyer, Sr. of Antioch.

Mr. and Mrs. Richard Steidl of Deep Lake Road, Antioch, announce the arrival of a son Eric Micheal on Sunday, July 30 at Victory Memorial Hospital. A firstborn to Kathy and Richard, Eric weighed in at 8 lbs.

Proud grandparents are Mrs. Georgia Kaminski of Antioch and Mr. and Mrs. Steidl of Lake Villa.

July 22 saw the arrival of a bouncing baby boy to Bonnie and Frank Kiley of Loon Drive, Antioch. Jeffrey Scott was born at St. Therese Hospital, weighing in at 5 lbs. 13 oz.

At home to welcome a new playmate was brother Franklin Randall, two years old.

Grandparents are Mrs. Virginia Kiley of Glendale, California and Mr. and Mrs. Shirley Hibbard of Zion.

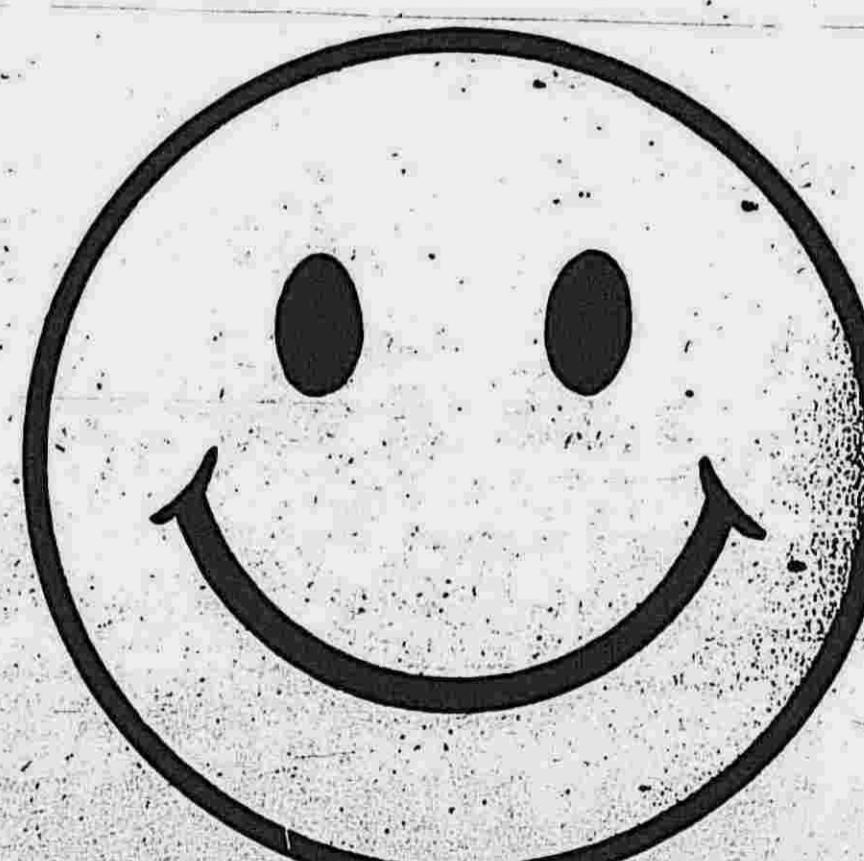

A little pink bundle was delivered to Victory Memorial Hospital for Judy and Robert Petykowski on July 25. Jennifer Rebecca weighed in at 6 lbs. 13 1/2 oz. and was 20 inches long at birth.

Waiting at 223 Lakewood to welcome Jennifer home were Renee, 9; Frank, 8; and Sandra, 9 years old.

Proud grandparents are Mr. and Mrs. William Owens of Antioch and Mr. and Mrs. John Petykowski of Chicago.

american legion auxiliary news

by Del Jahneke

The 10th District American Legion Auxiliary will be holding their installation of officers on August 4, at 8:00 p.m., at the Homer Dahringer American Legion Home in Waukegan.

Mrs. Everett Ainsworth, Lake Forest, will be installed as 10th District President by Miss Alice Youngs of Rockville, Maryland, a former Lake Forester and past 2nd Division President. Other officers to be installed are Mrs. Norman Holt, North Chicago, District Vice President; Mrs. Ted Odom, Libertyville, District Historian; Mrs. Melvin Archer, Lake Forest, District Secretary; Miss Jacqueline Watters, Grayslake, District Treasurer; Mrs. John Chudzik, Lake Zurich, Sergeant-at-Arms; Mrs. Logan Kennedy, Baxter Evans Unit, Chaplain; and Mrs. Joseph Hogue, Waukegan, Junior Past President.

Other installing officers include Mrs. Richard Brown, North Chicago; Mrs. Herbert Gleason, Libertyville; Mrs. Thomas Kinney, Lake Forest; Mrs. Thomas Watters, Grayslake; Mrs. S. M. Hayes, Baxter Evans Unit; Mrs. Thomas Rizzo, Lake Zurich; and Mrs. Gage Stevens, Waukegan Unit 281.

The winner of the best Unit History in 10th District will be presented with her award by Mrs. N. Holt, District Historian. There are four District traveling plaques which will be given to the Units in 10th District who have had the finest year round program in the fields of Americanism, Children and Youth, Illini Girls' State and Rehabilitation. They are known as the Leona Thomas Plaque on Americanism, in memory of Mrs. Leona Thomas of Waukegan, first District Director; the Ann O'Neill Plaque on Children and Youth, in honor of Mrs. William O'Neill of Lake Forest, past District Director; the Frances Mieczynski Plaque of Rehabilitation; in memory of Mrs. Joseph Mieczynski, North Chicago, Past Department President; and the Ruth Mould Plaque on Illini Girls' State, in memory of Mrs. John Mould of Wauconda, past District President. A Gold Medal will be presented to the girl stater who has written the best narrative of her activities at Illini Girls' State this year.

All legionnaires, Auxiliary members and friends are invited to be in attendance.

The annual 10th District's Past Presidents' Parley Picnic for Downey Hospital women patients will be held at the Downey Hospital Pavilion on August 5th, at 10:30 A.M. Mrs. Herbert Gleason is the general chairman, and she states that all 22 Units have been asked to bring meat dishes, salads or desserts to feed fifty people.

Mrs. Ray Rathmann, Antioch Unit rehabilitation chairman, says that Antioch Unit will bring two large watermelons to this year's picnic.

Antioch Auxiliary Notes

The Antioch American Legion Auxiliary 748 will be holding their regular meeting on August 7th, at 8:00 p.m., at the Antioch American Legion Home. Mrs. John L. Horan, President-Elect will conduct the meeting.

Miss Linda Lagerstrom, Girl Stater, will tell the Unit members of her experiences

while attending Illini Girls' State from June 13th - June 20th, held at the MacMurray College Campus at Jacksonville, Ill. Mrs. Joseph Horton, Girls' State chairman, will introduce Miss Lagerstrom to the audience.

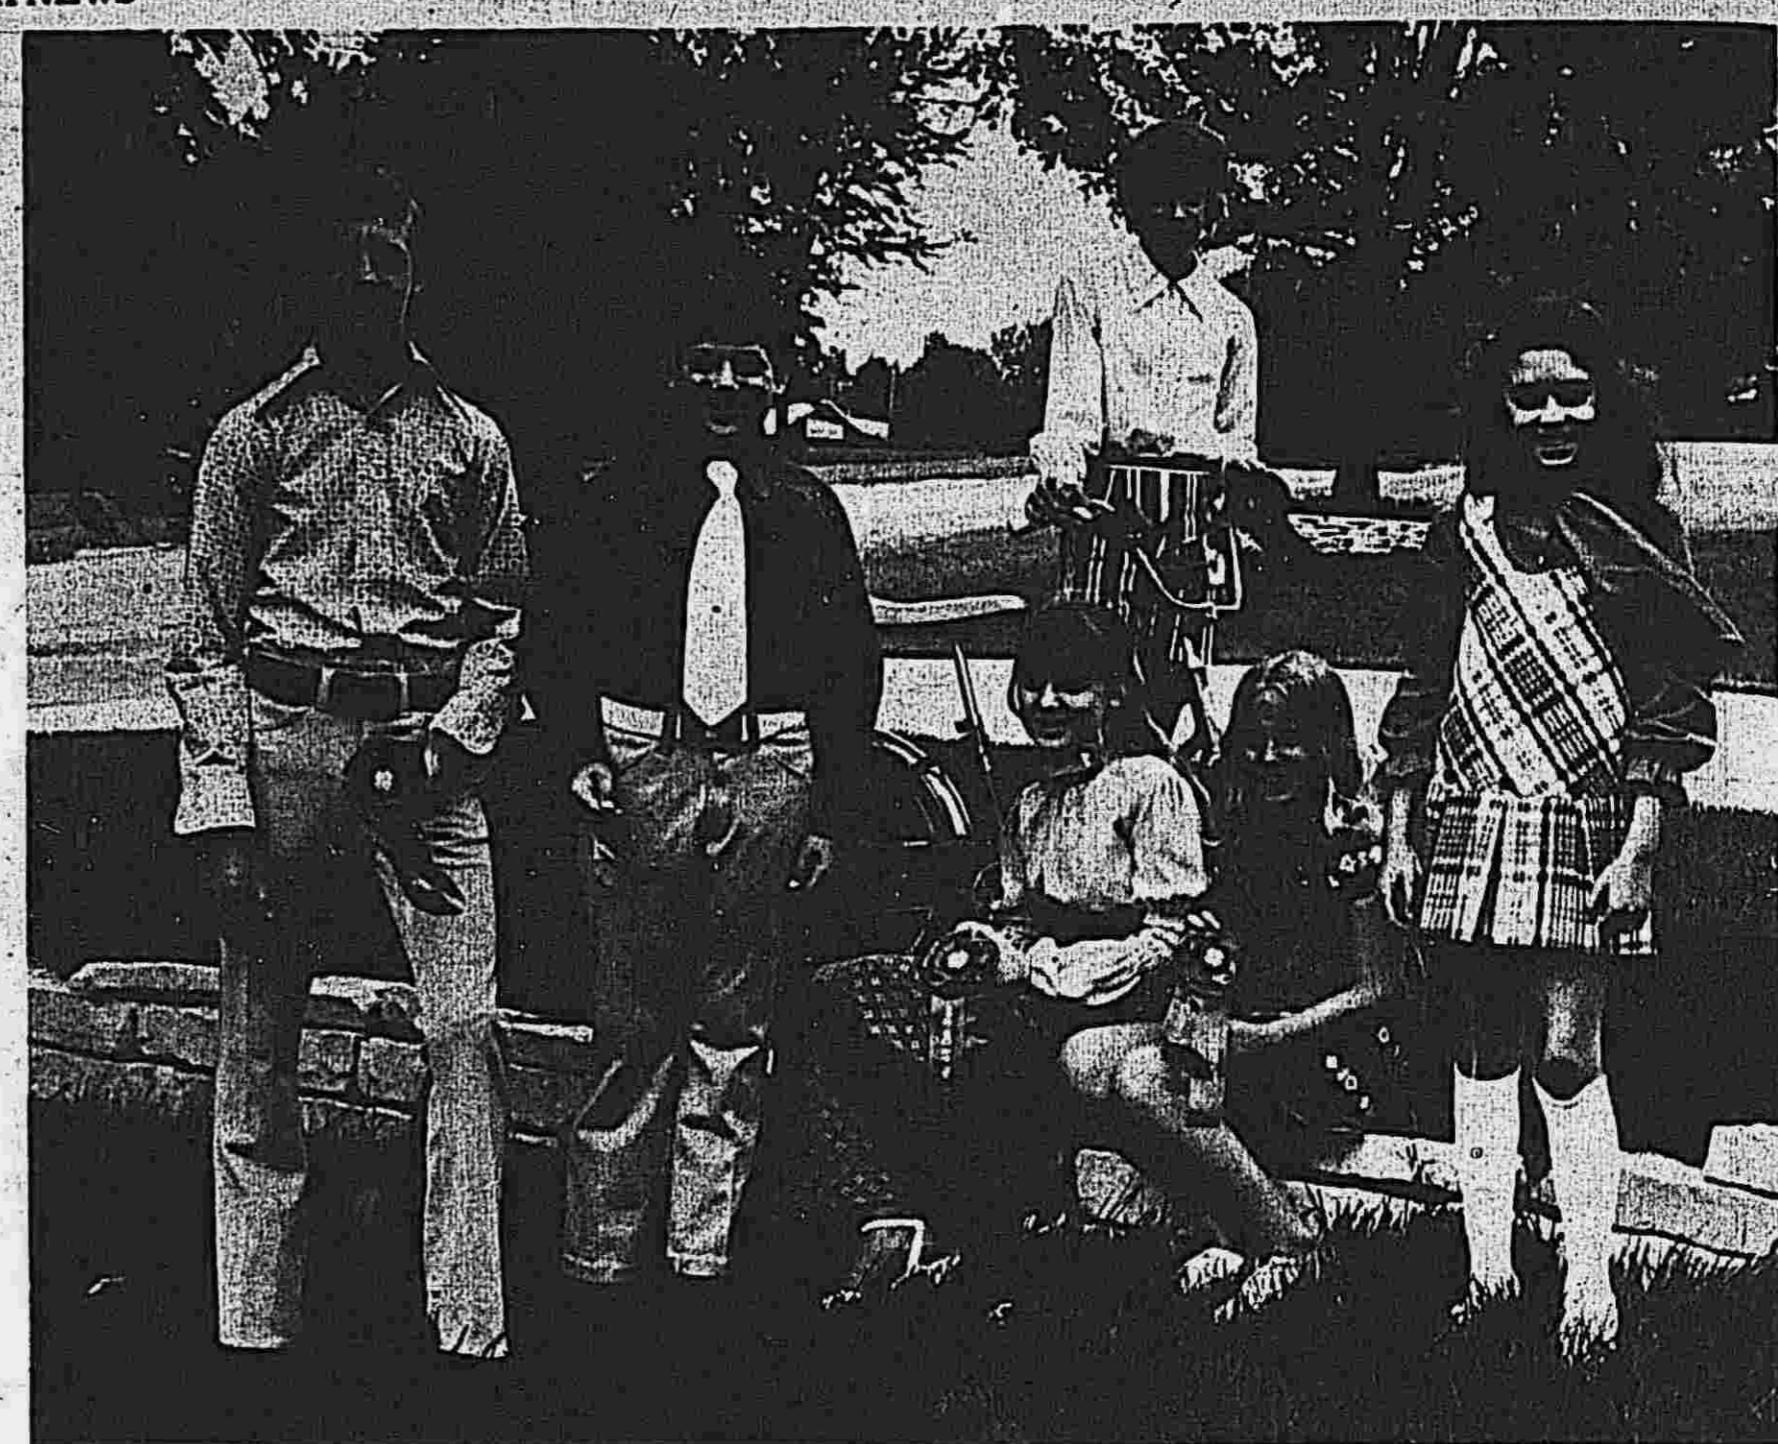

Plans and preparations will be made for the forthcoming joint Installation of Officers of the Antioch American Legion and the Auxiliary, to be held at a later date. James Ferrier will be the new Post Commander and Mrs. John L. Horan the new Unit President. More information will be given regarding this Installation at a later date.

SCHOOL SHOWS KEEN INTEREST IN HOUSING

The current building boom being experienced in the Antioch area should not catch the high school board off-guard, according to Superintendent Warren Polley.

When asked about provisions being made to cope with increased student enrollment, Polley noted that members of the board and administration were already actively engaged in fact finding and liaison work.

The school's Dean of Boys Arthur Blecke, is now a member of the Lindenhurst Planning Commission, proposed site of two planned unit developments. In addition, board members Glenn Moore and Larry Fears, both residents of Lindenhurst, have been named as a special liaison team between the school district and

ANTIOCH ADVENTURERS BLUE RIBBON WINNERS

Pictured are some young members of the Antioch Adventurers 4-H Club who took honors at last week's Lake County Fair. Dave Lagerstrom (left) won Grand Champion in Gun Safety and Bicycle Care and Safety. He will receive a trophy presented by the State Bank of Antioch. Bill Corey is a State Alternate in Leathercraft with his quiver case and Terry Corey (3rd from left) won Grand Champion in Beginning Flower Arranging. She will demonstrate at the State Fair. Lora Dubek won Grand Champion in Table Covers and Dawn Costoff, a Grand Champion with her angel food cake. Karen Kirschke (right) won Grand Champions in Rock Hounds and Bicycle Care. Karen will receive a \$25 bond presented by the Lake County Gem and Mineral Club. They wish to thank those who instructed and supported the Club this year. (staff photo)

mayor Raymond Flannagan. Board president William Brook is a member of the Antioch Village Plan Commission which recently was brought up to date of tentative plans for the Pheasant Creek project.

There are as yet no definite plans of action regarding the building project, Polley said due to the fact that all are in the planning stages or as in the case of the Antioch Country Club,

awaiting filing of a court suit.

He did say, however, that the school had several alternative courses of action. First, the school could go on double shifts and handle twice their current enrollment of 1400 students. Second, the schedule could be altered to a twelve month system to accommodate one quarter again the number of students now attending.

Polley could not discount the

possibility of a second high school for the area. "It's a possibility but I really couldn't say until the plans are approved for the projects and we see what we have to work with."

"We have a fairly good idea of what is coming up, but as to how much voice we'll have in joint action is all conjecture."

"If all the projects go through at one time," he said, "all the schools will be in trouble."

Sue Hevrdejs also received a Grand Champion on how to make "bagels" and Mary Steffenburg received her Grand Champion on a display of "Foods with an International Flavor." (staff photo)

How an attic fan can take some of the load off your air conditioning.

If you've been up in your attic on a summer day, you know how hot it gets. All that heat up there is what makes it so tough to cool the downstairs—even with air conditioning.

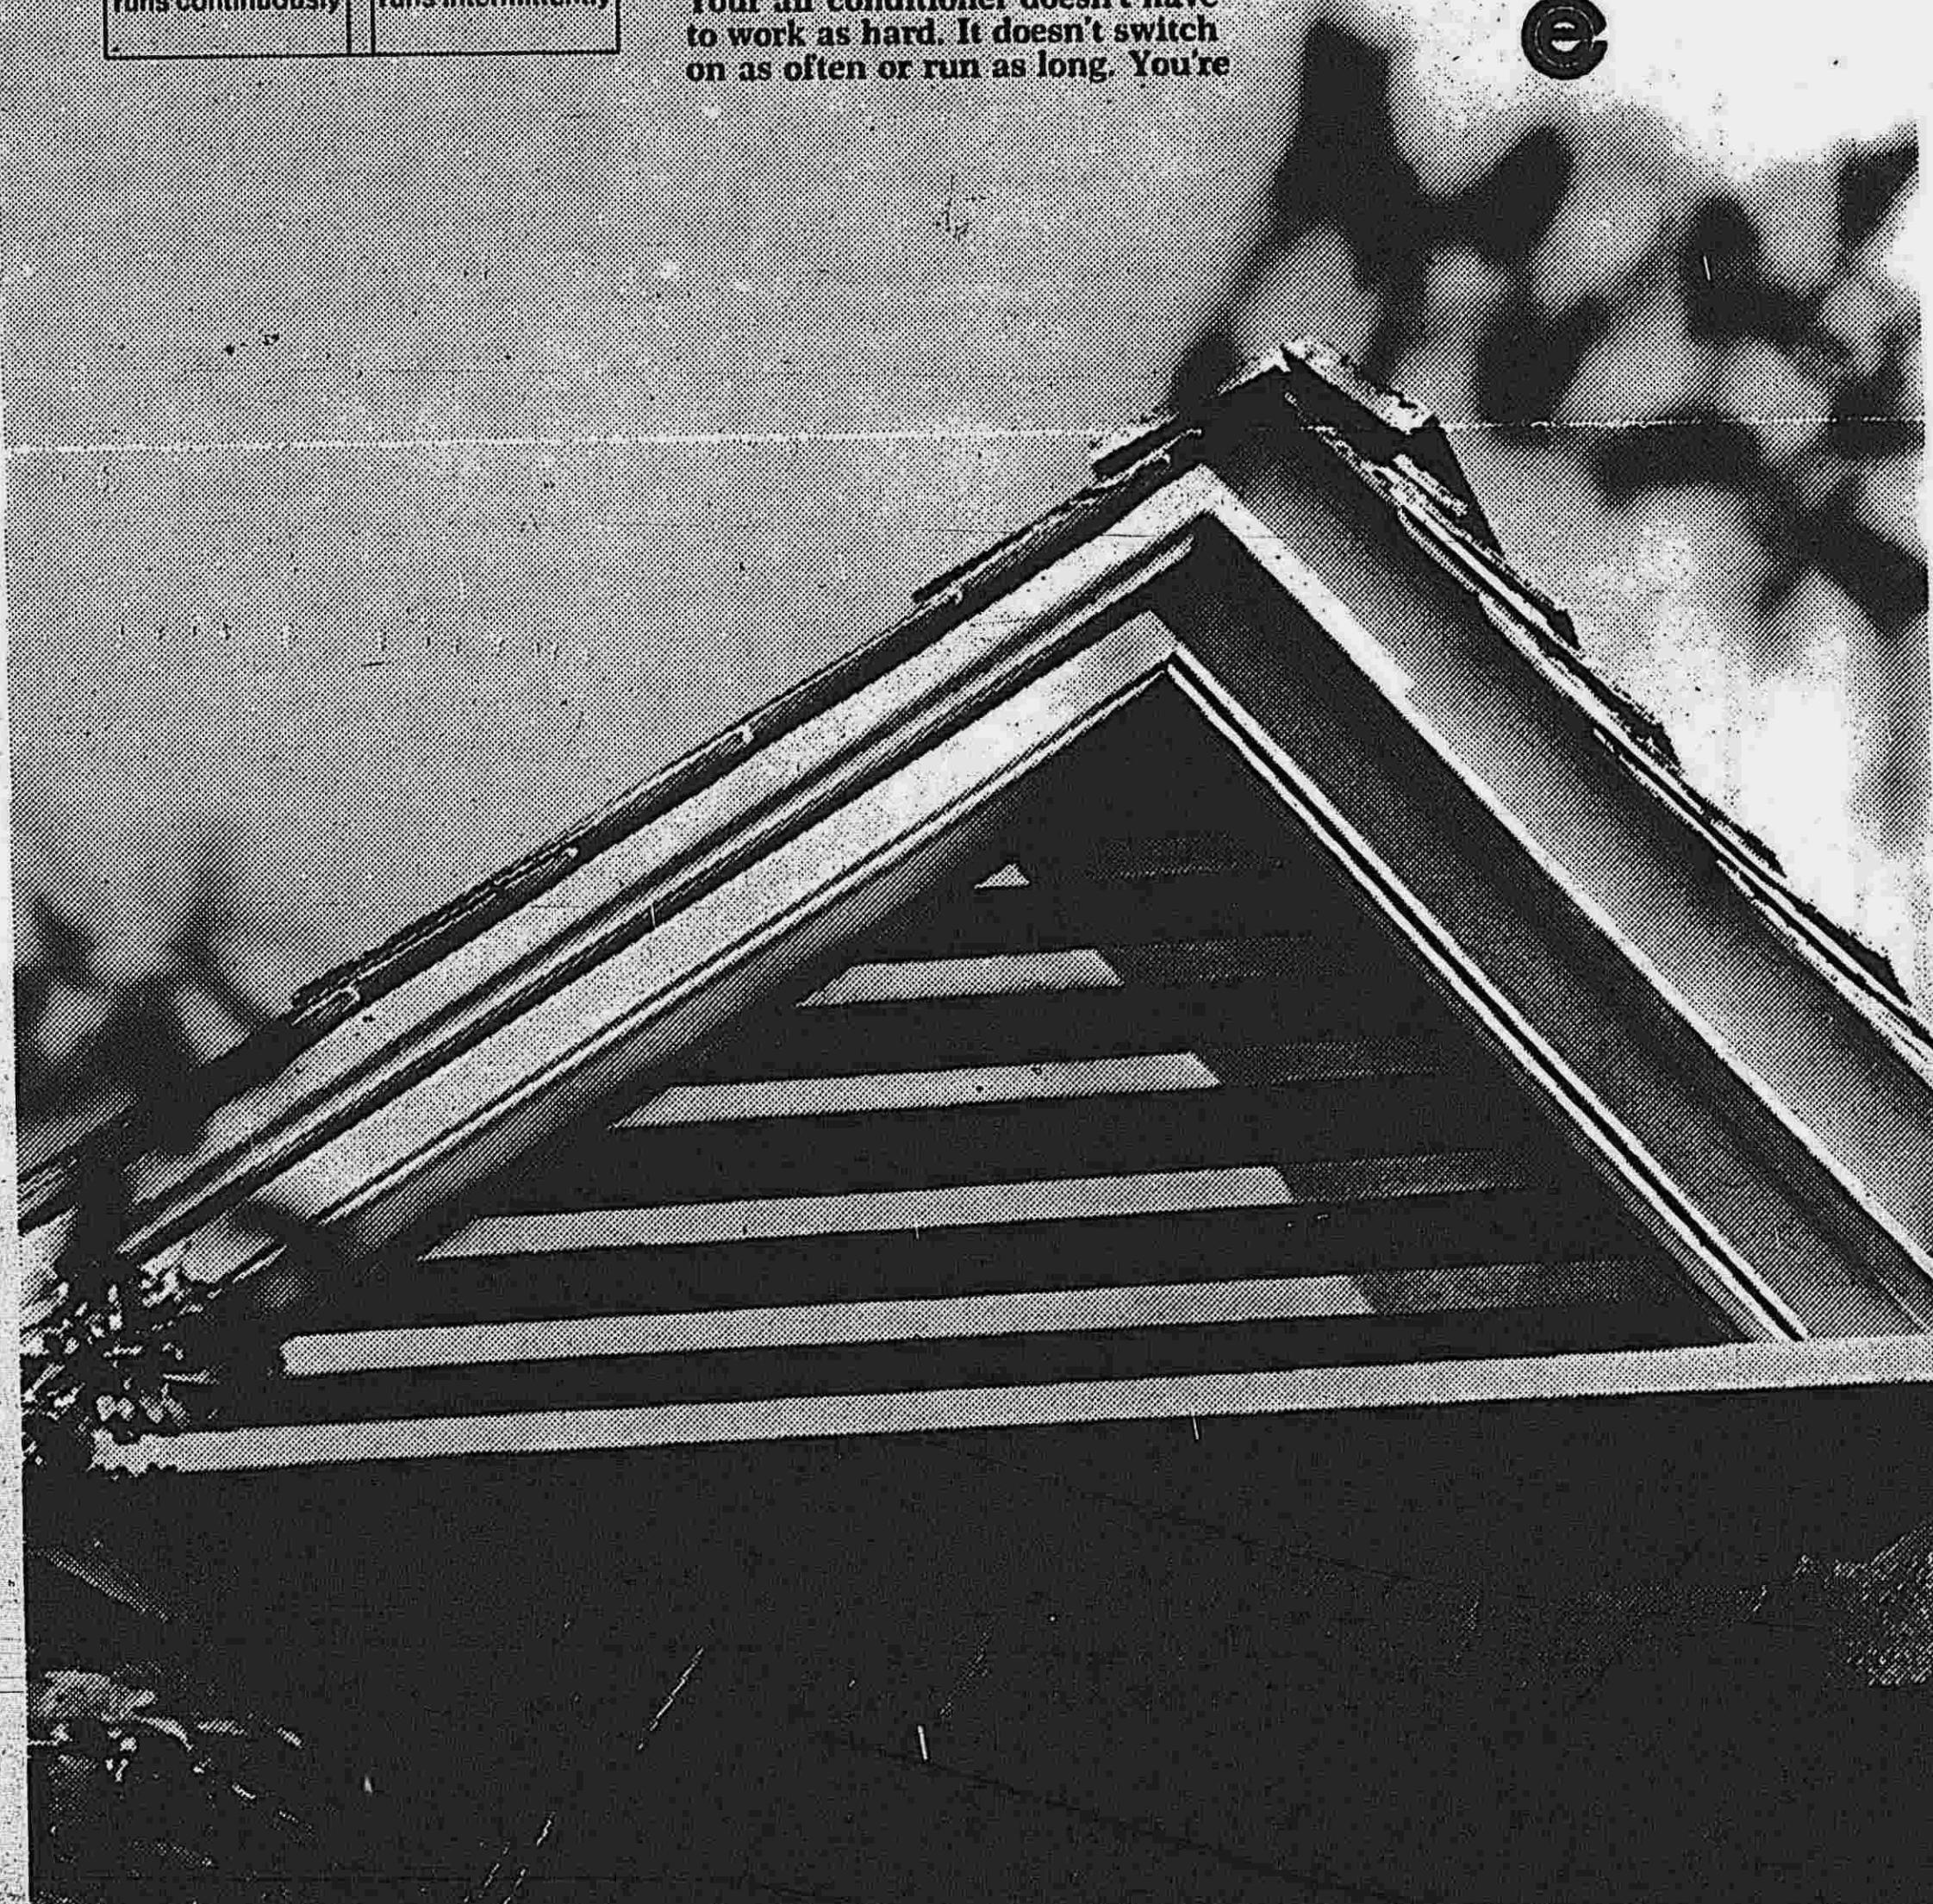

Well, here's a hint: install an attic fan. It will pull that hot, dead air out of your attic. In fact, as you can see in the diagram, it can reduce your attic temperature by as much as 35 degrees.

Your air conditioner doesn't have to work as hard. It doesn't switch on as often or run as long. You're

just as comfortable, yet you're saving money (and doing your bit to conserve power when everyone needs it most).

By the way, even without air conditioning, an attic fan can make a difference. Contact your heating or air conditioning contractor for the attic fan installation that's best for your home.

Dining Guide

The Iron Kettle

at Wilmot Mountain

It's no secret that most of us prefer to learn by doing than by being told and this situation is only compounded when there is talk of food and entertainment.

While hours can be spent in conversation about unique food and restaurants, the true test is going to them and trying their preparations.

The Iron Kettle at Wilmot Mountain fits squarely into this category. No matter what you have heard about their establishment (probably all good) you owe it to yourself to find out.

As background information you should know that the renowned winter sports center operates during the summer as well as during the prime snow-filled months.

The food varies little between the seasons. The owners, John and Joanie Stopa refuse to permit even a slight seasonal difference to occur.

Meals are robust, hearty and of generous size. The service is equal to or better than any you may find wherever you look.

Desserts and cocktails are constant in their full bodied taste and richness.

As far as entertainment goes the Iron Kettle is blessed with three musicians of unusual talent. The Wilmot Rogues appear both Friday and Saturday evenings to wind a spell with their particular brand of music. The three play all brands of music but prefer to stay with popular arrangements and those that draw a crowd around their small bandstand.

However, all this is just my view of Wilmot Mountain. It's no guarantee you'll find it the same.

If this appraisal has raised your interest, rather than sit at home and discuss it make a decision of your own. I'm sure you'll be well satisfied.

Obituaries

MRS. ANNA OLSEN--77 years old of 2862 W. Belden, Chicago, Ill. passed away on Thursday, July 27th at McHenry Hospital in McHenry, Ill. She was born May 6, 1894 in Radlow, Poland and came to the United States in 1907 to reside in Chicago. She is a member of St. Sylvester Catholic Church in Chicago. She was preceded in death by her husband Johannes Olsen on Jan. 15, 1935, one sister Frances Knoll and two brothers Frank and Joseph Cnota.

Survivors are one daughter Mrs. Florence (Norman) Heimbrot of Antioch, one son Ole John Olsen of Chicago, one sister Mrs. Mary Smolen of Poland, five grandchildren and five great grandchildren. A funeral mass was held at St. Peters Church in Antioch on Monday. Interment was in Mt. Carmel Cemetery at Antioch.

MRS. MARY SCHLEICH--75 years old of Oetting Subdivision near Antioch, Ill. passed away on Thursday, July 27th at Methodist Hospital in Rochester, Minnesota. She was born June 17, 1897 in Echternach, Luxembourg and came to the United States in 1921 to reside in Chicago, then to Skokie in 1960 and to Antioch in 1961, but had spent summers at Antioch for the past 20 years. She is a member of St. Peters Church in Antioch, the Luxembourg American Social Club (Chicago) and the L.C.V.A. Catholic Womens Club (Chicago). She married Christ Schleich on Nov. 21, 1920 in Luxembourg. She was preceded in death by six brothers and two sisters.

Survivors are her husband Christ Schleich and three sisters in Luxembourg.

A funeral mass was held at noon on Monday at St. Peters Church in Antioch. Interment was in Ascension Cemetery at Libertyville.

1:15 - 1:45 - Sharing Session
1:00 - 1:45 - Introductory Session to explain the Charismatic Renewal.
1:45 - 2:45 - Speaker: Fr. Henry, O.S.B. Topic: Charismatic Renewal in Perspective
3:00 - 4:00 - Free time
4:00 - Prayer Meeting
All Christians are welcome and may attend all or part of the day. Donation \$1.00.

Christian Science Churches

Through Scriptural selections we learn that Spirit is another name for God, and is infinite, ever-present. In Romans 8 we read "The Spirit itself beareth witness with our spirit, that we are the children of God."

Commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy reads "Christ presents the indestructible man, whom Spirit creates, constitutes, and governs. Christ illustrates that blending with God, his divine Principle, which gives man dominion over all the earth."

Members of First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois invite the public to come to the Sunday services held at 11 A.M. All are welcome.

DRUG RAID NETS THREE

A narcotics raid on a Grass Lake summer home Thursday, July 27 resulted in the arrest of three persons and the confiscation of drugs valued at \$25,000 by Lake County Sheriff Orville Clavey.

Arrested were Gregory Schuth, 20, and Loren Engstrom 20, both residents of the house in question on Ackerman Road. Also taken into custody was Holly Young, 18, of Kenosha.

Schuth and Engstrom were charged with possession of 500 grams of marijuana and approximately 300 grams of controlled substances. Miss Young who was free on bond for a previous drug case was charged with possession of between 10 and 30 grams of marijuana and approximately

300 grams of controlled substances.

Also confiscated in the house were LSD, speed, a scale and other instruments used to smoke and handle marijuana and other illegal drugs, reportedly including heroin.

Sgt. Fred Zeason who led the raid and had earlier in the week been the target of harassment by reported drug users said the haul constituted a major supply of drugs for the northwest County area.

When asked by newsmen if this raid was part of his all-out "war" against drug users, County Sheriff Clavey refused to comment saying only that he had agents from one end of the county to the other attempting to root out the drug element.

WELCOMED POLLEY - NEW SUPERINTENDENTS

The July newsletter from the office of Lake County School Superintendent James Flood contained a greeting to Warren Polley, newly named superintendent of Antioch Community High School.

Polley replaced Albert Dittman on June 22nd after holding the post of Assistant Superintendent.

Other new superintendents include Dr. Donald Jenkins, at Highwood High School; William U'Ren, at Millburn District 24;

Dr. Gene Cartwright, at Zion-Benton High School; and Dr. Allen Klingenberg, at Lake Forest High School.

AREA CRASHES KILL 2 - INJURE 3

Accidents near the village last week claimed the lives of two men and left three other persons injured.

On Thursday, July 27 cars driven by Miss Lynn J. Scholl, 21, of Trevor and Norman P. Stein, 52, of 1421 Monroe Street, Waukegan collided at the intersection of Routes 173 and 45 leaving the pair hospitalized, but listed in good condition at Victory Memorial Hospital.

The Scholl car, eastbound, apparently failed to stop for the traffic light ramming broadside into the car driven by Stein.

Both cars sustained extensive damage.

An early morning crash east of the village claimed the lives of two men and injured another on July 31.

The dead are: Myron D. Stryfeller, 19, of RFD 5, Wooster, Ohio and Marjan Pozun, 28, an employee of Elmwood Farms and a passenger in the car.

Injured was Thomas W. Mahin, 18, of 210 Allegheny

Street, Park Forest.

According to reports the Mahin car apparently crossed the center stripe on 173 near Old Hickory Road hitting the Stryfeller car head on.

Deputy Coroner John Aman said the two men died instantly from what he termed "extensive internal and external traumatic injuries." A coroner's jury is being sworn in to investigate the manner and cause of death.

Mahin is listed satisfactory condition at Victory Memorial Hospital.

REGISTER BY PHONE AT CLC

To save time and effort, part-time students planning to enroll in the College of Lake County 1972 fall semester, may register by telephone instead of driving to the campus, according to Curtis Denny, CLC Director of Admissions and Records.

Previously enrolled students may register by telephone between 1 p.m. and 9 p.m., July 31 through August 4.

New students planning to enroll at CLC for the first time may register by telephone between 1 p.m. and 9 p.m. August 2, 3, and 4. Denny added that new part-time students registering by telephone are expected to submit a completed application for admission to the Admissions Office prior to July 28, if possible, and also consult with a CLC Counselor by telephone or in person concerning course selection prior to registering.

Denny said that students registering by telephone should not dial the college switchboard but should call the following number: 223-6661.

TIME WAS...
when many drugs were unknown

SHRIMP 'WIGGLE' STILL A PUZZLE

Bubbling under a crust here is that classic sauce with the funny, folksy name of Georgia Shrimp Wiggle. No one writing in to ask why because no one seems to remember. Origin unknown. But the flavor is rare, wistful, and deeply Old South by any standards. Redolent with nutmeg and a little something from the old sideboard, "Wiggle" by any other name would be a delight. Traditionally served on toast as a luncheon dish, it becomes something more important under a crust for dinner or late company supper.

SHRIMP WIGGLE PIE

1 can (4½ ounces) shrimp
4 tablespoons butter or margarine
5 tablespoons flour
2½ cups milk
1½ teaspoons celery salt
¼ teaspoon salt
½ teaspoon white pepper
¼ teaspoon freshly grated nutmeg
½ teaspoon monosodium glutamate (optional)
2 teaspoons sherry
1 egg yolk beaten with 1 tablespoon water
1 cup green peas, cooked

Drain shrimp. Melt butter in a saucepan; blend in flour, milk, and all seasonings except wine. Cook until thick and smooth. Quickly stir in yolk. Cool the sauce slightly before adding sherry, peas, and shrimp. Pour into an 8-inch pie pan or baking dish; top with fluted crust. Bake 40-45 minutes in a moderately hot (400 degree) oven. 4 servings.

JULIO HOME IN COSTA RICA - TRUDY ARRIVES IN CHILE

continued

birthday. She hadn't sent out any invitations yet about 20 people came with gifts.

I'm sure you are quite aware that the government here is a socialist one. The parties are divided up into three parts. First of all, there's the leftist, which consist mainly of Communist and socialists. Then there's the right part. They call that the Christian Democrats. From what I've heard there's not too much of a middle because the people have split to either left or right. The leftists are mainly students and the poorer class of people and the right part consists mainly of upper class and religious type. Anyway, most all the girls in my school are socialists. I guess they didn't like me very much because I represented the type of government of which they didn't believe. So, they always hassled me about it and constantly yelled out, "Yankee go home." Finally, my family had me change to another school, which is called "Liceo

TRUDY SOLAND

experiences since she left the U.S.

20-7-72

Mrs. Maplethorpe,
I'm really having a great time here. I can't believe it's half over. I have become really close to my family and I don't know how I'm ever going to leave them. Yesterday was Paty's

A plight so familiar to all of us: a poor auto suffering from the "summertime blues". (staff photo)

Frances". Here it is private of both girls and boys and a better class of people. I am easily accepted here by my classmates and the teachers ...

Just recently I went to the University one day with Paty. Her English classes were very interesting. Most of her teachers are from England and they teach the language a little differently.

The food here is quite different than what I am used to, but I love it. I love it so much I've gained 7 pounds. Oh well, at least I'm enjoying myself while I'm getting fat. I eat so much bread. At the dinner table papa is always watching to make sure I have at least one piece in my hand at all times. He's always pouring wine for me too. I'm going to bring some wine back.

July 11 was the one year anniversary of copper, because it's been one year that Chile has owned the industries. In the past the U.S. owned them. On that day about 300 students marched the streets yelling and screaming. It was really loud. I was really shocked to see, in the crowd, a dummy hanging from a rope and above it reading something concerning Nixon and the government. I have talked to a lot of people who don't like our government. With that I defend my country more to the point where I understand their beliefs but stand strong on my own.

The other day I went to the fish market with my father. It's something to hear him bargain with the people ...

Well, I hope you are all in good health while reading this.

Trudy

In another letter to Mrs.

HELPFUL HINTS

Top off your lazy summer-time fruit salads with an Apricot Dressing. In a small mixing bowl beat together 2 cups of cottage cheese, ½ cup apricot jam, 2 tablespoons of milk, ½ teaspoon grated lemon peel, and 2 teaspoons of fresh lemon juice. Cover and chill. For a sweeter dressing, you may substitute ½ teaspoon vanilla for the lemon juice.

Maplethorpe, through whom Trudy was made aware of this opportunity, and to those who have given financial support, Trudy writes:

I want to thank you very much for making this possible for me. I think my stay here will help me in many ways. Not only will it improve my Spanish, but I think it will help me to grow up. I've made so many changes all ready.

Pam Rausch, R.R. 2, Antioch, attended a week long intensive session of art instruction held July 9-15 at Allerton Park, University of Illinois conference center near Monticello, under joint auspices of the U. of I. Division of University Extension and the Illinois Federation of Women's Clubs. Pam was sponsored by the Antioch Women's Club.

DREAMS FOR SALE

There is one special kind of man that works hard at a tedious task, while refusing to mentally submit to the drudgery or monotony that accompanies it. Neither the wearisome nature nor the unstimulating conditions can blunt a creative mind. These men dream.

Men like Matt Nolan of Antioch do more than merely complete a project. Granted, they do perform the task to the best of their ability, but they also dream of improving, creating, changing.

So it is that after over 30 years as a contracting sand blaster, Nolan applied for and received patents for two creations of his imaginative mind.

The first is a breakthrough in his chosen profession - a "vapor blaster" or wet sand blaster. The other is an innovation in the field of merchandise shipping - a portable cargo bulkhead.

The new sandblasting process was an outgrowth of several factors. His natural instinct to improve an obsolete system was given a tragic impetus by the death of his brother, Nick who died from a combination of cigarette smoking and inhaling the clouds of shaved stone.

Nolan said his new invention utilizes water to hold in suspension the sand shot by compressed air. While normal sandblasting would send columns of billowing sand clouds as it tears away the outer layer of stone, the addition of water eliminates the dangerous sand and also evenly wears away the discolored outer layer.

He said that because of his long association with the Antioch area, he prefers to keep any success in the region. "People here have been so good to us we'd like to see they get some of the benefits."

If, by chance then you have a few spare dollars to invest in a certain money maker rather than buy "blue chips", why not invest in a local project?

NIU PUBLISHES HONOR ROLL

Dennis Waren Bruzas of R.R. 1 Box 140, Lake Villa, is among the 2,313 Northern Illinois University undergraduates who made the academic honor roll for first semester, 1971-72. The total is 14 percent of the full-time undergrads, same percentage as for spring 1971.

To make the "Dean's list," an NIU student must achieve a 3.5 grade point or better average for 12 or more semester hours. A 3.5 represents a "B plus" under Northern's grading system. A grade of "A" counts 4 points; "B", 3 points; "C", 2 points; and "D", 1 point.

NIU students have been allowed a pass-fail option since fall 1969. The option may now be taken for one or two courses. No grade points are given for "P" under the pass-fail option so such marks are not counted in determining grade-point averages. At least 12 hours with grades must be taken for consideration for the honor roll.

The 2,313 honor students comprise 14 percent of the 16,792 full-time fall undergraduates listed by the NIU Bureau of University Research.

CHANNEL LAKE CHATTER

Area residents enjoyed the Lake County Fair last week, because of the great weather. Every day was beautiful except for the opening day on Wednesday when it rained all day. Two happy ladies are Mary Lou Miles who received 6 blue ribbons and 4 red ribbons on vegetables picked and entered from her prize garden. Mary Lou was very happy about her ribbons and well she should be, as this wasn't the best year for gardens in the late spring and early summer. This is truly a lady with a green thumb. Congratulations, Mary Lou.

Carol Whitton is also sporting some ribbons from the fair. She won a blue ribbon on her canned peaches and 2-4th place ribbons on her grape and red raspberry jelly. Congratulations to you Carol, our area is proud of you two talented ladies.

Kurt Hucker celebrated his 4th birthday last Thursday afternoon with 14 of his little friends. The children enjoyed lunch, cake, ice cream and lots of games. Kurt's mother, Pat, said she had as much fun as the little ones, and that should win her a big gold star.

Pam Runyard celebrated her 6th birthday on Friday afternoon. Linda Runyard, Pam's mother, took 10 of her friends to Fox River Park for some games and ended the outing with a trip to the Dairy Queen.

The Rick Irmin household is back to normal again as they picked up Sue, Cindy and Sherry from Awana camp last week. The girls had been away for two weeks. Now, plans are going full speed ahead for the September wedding of their daughter Kathy.

Bobby, Chris and Scotty Zeien have just recovered from a two week bout with the mumps. The boys are fine now and waiting to see if baby sister, Betsy is going to get them.

Joe and Louise Gutowski and children Jeff, Julie, Jimmy and Jeri spent last Wednesday at the Museum of Science and Industry. While there they saw Tom Borwinkle of the Chicago Bulls, and Don Kessinger and his family, of the Chicago Cubs. The trip was very interesting but we need at least two more visits to see everything.

Congratulations to former residents Sharon "Zerr" and Sam De Falco on the birth of a baby daughter last week. It is their first child and the proud grandparents are Rose and

Louise

DRIVING SCHOOL OPENS

The Lake County branch of Easy Method Driving School now is in operation at 307 W. Washington, Waukegan. Executive offices are located in Chicago. Easy Method is Illinois largest driving school with over 37 years experience in teaching safe driving. Adults or teenagers who need help in learning to drive are invited to call our toll free number 800 972-1638 for information. Easy Method is approved by the Office of Public Instruction to conduct the teenage program required for a drivers license.

Your first "get-acquainted" driving lesson will be on a quiet, untraveled road. Soon you'll be starting the car by yourself. Driving around bends. Stopping. Backing up. And you'll probably decide that driving

John Bishop of the Pizza Pub. Little Richard Rudolph celebrated his 3rd birthday on Monday, July 31st. Happy Birthday Richard. Belated birthday wishes to Sue Lemke who celebrated her 6th birthday with a swimming party at her home for 8 friends. The children had a great time and enjoyed the special refreshments prepared by Sue's mother, Lorraine Lemke.

David Lemke, David Behrens and David Enzenbacher left for the Wisconsin Dells last Monday morning July 24th. Nothing unusual about a trip to the Dells, except that these boys made the trip on their bicycles. They arrived on Wednesday evening in the rain and spent the rest of the week exploring the area. On Friday they were met by Lorraine and Bob Lemke and Ray and Dorothy Enzenbacher and children who made the journey the conventional way, by car and camper to spend an enjoyable weekend and to drive the boys home.

Welcome Home to Pat and Dick Harland and children who along with Boy Scout Troop 91 spent the last two weeks at Camp MA-KA-JA-WAN in Pierson. While Pat and daughters Nancy and Jill stayed at the family camp, Dick and the Scouts camped and worked on merit badge projects. Local boys that made the Order of the Arrow call out were Bill Harland, Bob Gossman and Mike Groth.

Also home after spending 10 days at Kentucky Lake and other points, south are Wayne and Dolly Bobo and son Ty and Alice Sanderson and her family. They had a very relaxing and enjoyable time, even though the temperature reached almost 100 degrees almost all the time. Would you believe they have no mosquitoes at Kentucky Lake? That's what the Bobos told me and believe it or not they weren't bothered by house flies either. That must be heavenly.

Many of our young baseball players spent Saturday at a Milwaukee Brewers game along with 5 busloads of Minor, Little and Babe Ruth League from Antioch. The boys, along with several chaperones saw the Brewers defeat the Detroit Tigers 8 to 3 on a very nice sunny day.

With August 1st here it's time to start thinking about getting the kids ready for school. I think most kids are getting bored with summer and ready to return to their classrooms. Oh happy day!

Let me know the news, as without you, I have no column.

Louise

isn't so hard after all. So go ahead and try. It's safe. Easy. And fast. Call our toll free number 800 972-1638 for information.

Just to help you with your written examination, residents of Lake County wishing to learn to drive are invited to attend a free 2-hour class on "How To Pass Your Written Drivers License Examination" to be conducted from 7-9 PM Tuesday August 8, 1972 at 307 W. Washington, Waukegan.

ILLINOIS DRIVERS FAIL LICENSE TEST

Under a state law, which went into effect Jan. 1, 1969, all of Illinois 6.6 million drivers will be retested by 1978. During the first year, 81,714 drivers failed the written exam and about 14,900 motorists lost their

WORMS, COMMON AFFLICTION

Worms are your dog's most common affliction.

There are five main types that may infest your pet—heartworms, hookworms, roundworms, tapeworms, and whipworms.

If not treated promptly, infections from these parasites will seriously injure your dog's general health, and frequently, result in death.

Some of these parasites, for example, roundworms and heartworms, cause diseases that can be transmitted to human beings.

The roundworm found in dogs is essentially a parasite of puppies, with the majority of infections occurring by the prenatal route—the larvae being transferred from the pregnant dog to the fetus.

Puppies will show evidence of infection a few weeks after birth. The puppies then will release millions of eggs which are passed out in the feces.

These eggs may adhere to the pup's paws and hair, and children should not be around puppies or nursing mothers until successful treatment has been completed.

Heartworm disease, which can result in death to your pet, is transmitted by an intermediate host—various mosquito species.

This parasite's life cycle in man begins with a bite of the mosquito and follows the same probable course as in dogs.

Fortunately, it appears that the heartworm cannot reproduce in man—thus dead-ending the parasite.

Since the presence of a few worms is a little pathogenic importance in the well-nourished growing or mature dog, the main problem consists of preventing exposure to massive infections, especially in young puppies.

Strict sanitation is the key to

licenses after failing the examination three times. Experts explain—"Some people think that just because they've been driving for 10, 20 or 30 years, they don't have to know the new Rules of the Road. They figure they know it all. Then, when they take the tests, they get the shock of their lives."

Now there is good news if you're nervous about taking the written examination. You can now purchase your own sample self-scoring test paper, complete with questions, answers and road signs to help you pass the State exam on that important day. Introductory price just \$6 plus 75 cents handling (Check or money order only) MAIL TO:

DELANY DASHES TO INITIAL GENEVA RACE AND WIN

Bob Delany, Addison came to the Lake Geneva Raceway and won the 25 lap Sportsman feature race in his first appearance. His victory came over hot HATO stock car driver, Ken Hinzpeter, Twin Lakes.

George Wyroach, Lake Geneva was third and led Gil Shilts, Delevan and Ray Hummel, Elkhorn across the finish line. Delany turned in the 11th fastest qualifying lap and wasted no time in taking the lead as he moved around Dale

Brandenburg on the second lap. Heinzpeter took second on the sixth lap and Bob Peterson, Lake Geneva, was third on the next lap and moved around Hinzpeter on the 13th lap only to be forced out on the 19th lap.

The semi-feature was won by Ernie Schooley with Dennis Webber in the runner up spot. Heat races were won by Paul Craddock, Round Lake who also finished 7th in the feature. Other wins went to Gordy Mudlaff; Delany; and Butch Bahrs.

The Spectator feature event was won by Chris Ducey who outlasted Dan Weber and Ken Haak. The semi-feature for this group was won by Craig Leason ahead of Red Gleason. Heat winners were Haak; Doug Celheit and Leason. Sam Grubb turned in the fastest time trial at 20.38. Grubb continues to lead the point standings in that division while Bob Peterson leads the Sportsman division.

Following these events the ladies took over with Powder Puff racing and the winners were Toni Eppers and Ruth Ingarsell. Second place lady finishers were Judy Straube and Patsy Gleason and taking thirds were Carol Neff and Patty Miller.

The ladies will be back next Saturday night racing in Sportsman stock cars.

STIFF FINES

CROWDS GO WILD FOR STOCK CAR FOOTBALL

It was a perfect night for stock car racing and football Sunday night at the Waukegan Speedway and the largest crowd yet for a late model sportsman program was on hand. Tom Urban of Mundelein won the 25-lap main, his third in a row, while Butch's Auto Parts needed substitutes to win a come-from-behind victory in the Stock Car Football game.

The large crowd went wild at the 20 minutes of stock car football action. The football, a Volkswagen, was demolished in the first scoreless half and only the sheetmetal body remained to be pushed across the goal line in the second half. V & P Auto Part scored at 32 seconds in the second half but Butch's substitutes put 14 points on the board for the win.

Butch won the coin toss for the game and elected to defend the South goal. The first half saw scrimmage mainly in the center of the field. The winning team consisted of Butch Anderson, Skip Don, Andy Edmunds, Norm Bucher, Dave Huber and Jim Carlino.

Next Saturday night the sportsman will compete in their 50-lap Midseason Championship race while Stock Car Football will return to the Speedway next

Sunday Night.

Urban recorded a clean sweep in Sunday's races as he clocked fast time with a :16.12 lap and then won his heat and the feature. Urban passed Chicago's J. P. Gatti in the 22nd lap for the win with Gatti's 1969 Camaro close behind at the checkered. Jim Walkanoff of North Chicago was third in front of Joe Horn of Zion and Don Ellgass of Ingleside.

Nick Cordonnier of Waukegan, who won the third sportsman heat, led the first ten laps of the feature race before Gatti moved in front. Urban claimed second four laps later and then the race was stopped after 15 laps when Burlon Mauldin of Park City, John Konold of Evanston and John Gonzales of Waukegan all piled up in the fourth turn after Tom Talbot of Waukegan lost his radiator.

The feature was off to a rough start as seven cars failed to make it through the first turn of the first lap. Everyone was able to restart. Cordonnier was eliminated in the 20th lap when he hit the second turn wall.

Wally Cizanskas of Gurnee won the first heat race in his new 1967 Chevrolet sportsman while Walkanoff took the six-lap dash in his 1965 Chevelle.

TOM URBAN WINS AT WAUKEGAN

Tom Urban of Mundelein won his second feature in a row Saturday night at the Waukegan Speedway as the late model sportsmen furnished another thrill-packed racing program.

Gene Pennington of North Chicago escaped serious injury in the 7th lap of the feature when he hit the backstretch wall and flipped twice going over the car of Waukegan's Jerry Pratt's Chrysler.

Floyd Burdick of Racine led the first three laps before Nick Cordonnier of Waukegan moved in front for one circuit. George Dukas of Zion was leading when Pennington's accident occurred and Urban got by him on the restart.

J. P. Gatti of Chicago in his first start of the season here finished in second place with Dukas third, Chuck Bostick of Waukegan fourth and Don Ellgass of Ingleside fifth.

Urban was fortunate to even make the feature as many other speedways decide the feature

HARRIS WINS GENEVA MID-SEASON 40

Whitey Harris, Lake Villa, runner up in points at the Lake Geneva Raceway for the IRA Super modifieds won the 40 lap mid-season championship race there on Sunday night. He took the lead on the 12th lap from Larry Leach, Elkhorn.

At the end he had a half lap lead over point leader Johnny Reimer, Caladonia who moved into second place on the 36th lap. Fast time qualifier Ron Marish, Milwaukee, with a run of 16.73 seconds, finished third over Butch Bergsma, Richmond who was just barely able to stay ahead of his finish charging brother Ron.

Rounding out the top ten in the non-stop 40 lap event was Ken Monroe, Pell Lake who had been up to 3rd most of the race and then it was Jim Moulis, Antioch, a rookie who was up to 4th at one time. Roger Otto was 8th and 9th was Bob Layland

and Dave Bliss tenth.

Joel Reimer won both the 15 lap semi-feature and a 10 lap heat race. Other heat winners were Dick Heinz, Northbrook; Harris and Leach.

Jack Ashenbrenner, Hales Corners broke the three in a row win streak of Joe Greske as he won the Sportsman feature with Greske second over Ron Fryer, Jim Cmelak and Sid Norton.

Semi-feature winner was Dwight Schwartz and heat winners were Duke Norton, McHenry and Schwartz.

1/4 MILE EAST OF RTE. 41 ON WASHINGTON ST.
WEATHER PHONE 662-8200 — WAUKEGAN ILL.

A large crowd turned out to the late model sportsman races and Stock Car Football game last Sunday night at the Waukegan Speedway to see Butch's Auto Parts edge V&P Auto Parts by the score of 14 to 7 after substitutes came to the aid of Butch's team.

The first half was scoreless while the teams mangled the Volkswagen football at the 50-yard line but V&P took only 32 seconds to score in the second half. That's Butch Anderson in the dark shirt (third from the left) while Captain Jack Hemmings of the V&P team is at the far right.

REIMER WINS WILMOT FROM POLE

It is getting harder and harder for a driver to qualify for the feature of the IRA super modifieds at Wilmot. On July 22, neither Johnny Reimer or point runner up, Whitey Harris made the 16 car starting field.

This Saturday night, Reimer barely made the field. He had the slowest of the top 16 cars, and that put him on the pole and he led every lap in the 30 lap feature to win his sixth feature at Wilmot and his 12th feature of the 1972 season.

Carl Schultz, Pewaukee in the Hustler modified ran second to Reimer in the feature just as he did in an earlier heat race. Reimer built up a long lead only to see it disappear as the red flag was out twice. The first was when Paul Cameron, Round Lake and Ron Marish, Milwaukee got together on the 3rd lap in the 3rd turn. On the 25th lap, Cameron spun in front of Jim Bozeman, Waukegan and

that brought out the red flag again. This third green flag gave Schultz a good shot and he stayed close to Reimer to the end. Jim Sullivan, Ingleside, moved around Jim Fiscus, Madison to take third spot with Dick Aissen, McHenry, using every bit of his Buick power to race and finish fifth.

Ron Marish, Milwaukee, set the fastest lap in over two years of qualifying at Wilmot with a 17.14 second run. He wound up only 13th at the end. A broken axle caused Whitey Harris, Lake Villa to drop out of the feature and he earned the 16th spot. With Roger Otto, Burlington winning a heat and finishing 3rd in the semi-feature, he moved around Harris in the point standings to take over the runner-up spot.

A pair of rookies gave veteran drivers trouble from runner up spots in the semi-feature and consolation race. Denny Mc-

Kay, Elgin finished ahead of a hard charging Stan Horton, Antioch. Dave Bliss, Algonquin had just as much trouble staying ahead of Jim Moulis, Antioch in the consolation race.

In heat racing, Reimer; Moulis; Otto; Joe Fote and Dick Heinz were winners.

Jim Cmelak, Okauchee won the Sportsman feature after moving around Ken Zeisse, Sturtevant who dropped to fifth at the end. Closing on Cmelak at the end was Ron Fryer and quick time qualifier Joe Greske, Franklin. Heats were won by Dale Erdman, Caladonia and Tom Barker.

Attendance was 3750 and the drivers shared a \$3,788.00 purse. Popular driver ballots were given for the first time and voting will be concluded on Sunday August 6, at the Lake Geneva Raceway.

The Antioch News

SPORTS**ANTIOCH SWIMMERS
BRING HOME TROPHY**

The Kenosha Recreation Department hosted their first Relays meet last Tuesday evening. All five other teams were participating from Kenosha: the AAU club, the Towne Club, the country club, the Red and Blue Recreation teams. Antioch was also invited to participate. Antioch took 61 boys and girls to take part in the meet and ended up bringing home the Relays trophy for first place and all first place and all first and second place ribbons!

Special recognition has to be given to the winning 13-14 year old girls group which got all first places. The 200 yard backstroke relay (S. Berry, K. Klopp, G. Teresi, M. St. Pierre), the 100 yard butterfly relay (S.

Berry, M. St. Pierre, C. Walpole, L. Fields), the 200 yed. breaststroke relay (K. Reeves, S. Berry, E. Auxier, C. Walpole), the 200 freestyle relay (K. Klopp, St. Pierre, L. Fields, E. Auxier).

In addition, two of this group of outstanding swimmers swam on the 200 medley relay. (2 boys-2 girls). These two were Kim Klopp (backstroke) and Chris Walpole (fly) plus John Kakacek (breast) and Dave Walpole (free) who took a very impressive first place.

But though the aforementioned group was outstanding it was definitely a complete team effort which brought the trophy to Antioch.

STATE BANK OF ANTIOCH SWIMMERS WIN

The red-suited (thanks to the State Bank of Antioch) Antioch Swim team took on the Kenosha Recreation Departments Red team last Thursday night in a swim meet. The result was a very satisfying win for the local team 228 to 195.

Local swimmers took 27 firsts out of 48 events. Then the rest of the Antioch swimmers combined their talents to bring in

most of the seconds and thirds. Dave and Ed Berry and Pat Muro continued winning along with Scot Reeves, Kirk Sarmont, George Bessette, Denise Holt, Sue Amundsen, Mary St. Pierre, Jenny Schmidt, Sherry Patts, Rod Taplin, Sue Berry, Barb Dodd, Judy Berry, Chuck Auxier, Greg Shepard, Judy Houghton, and Jeff Schmidt, Pat Muro, Kit Kakacek and

**SWIM RELAY WINNERS**

Winning in the 13-14 year group at the Kenosha Recreation Department Relays are: (l to r) Kim Klopp, Gina Teresi, Sue Berry, Mary St. Pierre, Chris Walpole, Eva Auxier, Lynda Fields, and Keely Reeves.

Keith Larsen of Antioch (right) is shown being presented trophy for most falls in the least time at U.S. Wrestling Federation Championship held at the University of Iowa. Making the presentation is Myron Brodrick the Federation's Executive Secretary.

LARSEN - ROBERTS

PLACE IN NATIONAL TOURNEY

Two members of the Antioch Varsity Wrestling Squad scored high and ranked well up among the leaders at the U.S. Wrestling Federation National Championship.

The competition, held July 27-29 at the University of Iowa in Iowa City, saw Keith Larsen place third in the 123 pound class in the Greco-Roman division while John Roberts gained a second at 105.5 in the freestyle.

Larsen also won the coveted honor for most pins.

The two competed against more than 350 wrestlers from across the nation and were part of an Illinois team that lead all other states in the number of places won.

Both turned in exemplary performances and were praised by Antioch head coach Ted DeRousse.

Three other Antioch wrestlers saw action in the tourney: Steve Shaffer, Tim Staples, and John Thain but did not gain a place finish.

John Gretz
Sports Editor

BEST HOME SCHEDULE IN HISTORY

Michigan State opens the season in Champaign and the Spartans are expected to challenge for the Big Ten title. And then two of the nation's finest — Southern Cal and Penn State — bring their teams to Memorial Stadium. Homecoming centers on defending Big Ten Champ Michigan. Indiana and Wisconsin follow in November. No other team in the country has a more attractive schedule in 1972.

Share the thrill and enthusiasm of a revitalized Fighting Illini as they return to their five-game winning streak. Last season was indeed a whole new ballgame. This year things are once again promising for one of the best home schedules in history. Spectacular half-time entertainment too, featuring Block I, the Marching Illini, and of course Chief Illiniwek.

DODGERS - 1972 LITTLE LEAGUE CHAMPS

On July 25, the Grey division winner and White division winner of Antioch's Little League met to decide Antioch's Little League Champion.

The Grey division was represented by the Cubs with a record of 10-4; Manager - Jack Christiansen.

The White division was represented by the Dodgers with a record of 11-3; Manager - Norm Thibedeau.

Game 1 - July 25th.

| NAME | 123456 | R H E |
|---------|-------------|--------|
| Cubs | 1 0 0 0 0 0 | 1 3 0 |
| Dodgers | 0 0 2 6 2 | 10 7 1 |

WP - J. Perstrom
LP - J. Christiansen

Second Game - July 27th

| | | |
|---------|-------------|-------|
| Dodgers | 1 0 4 2 0 0 | 7 9 0 |
| Cubs | 0 0 2 0 0 0 | 2 1 1 |

WP B. Dubek who pitched a one-hitter.
LP - R. Knab.
Home runs in the second game - G. Thibedeau - 2 and M. Wenka - 1.

The Dodgers of the White division became the 1972 Little League Champs with two straight wins out of three games over the Cubs of the Grey division in the playoffs.

Sponsor of the Cubs team is Lyons & Ryan Ford and sponsor of the Dodgers team is Antioch Savings and Loan.
